Editor's Message

To the Senior Class of 1965:

In this the 125th year of the founding of Bethany College, it is with great honor that I bid farewell to this institution for the 1965 graduating class.

All of us have looked forward to this moment ever since we first arrived at Bethany four years ago. And yet . . . now that the cherished time has arrived we are somewhat apprehensive. No longer do we have the security that Bethany has afforded us these past years; no longer may we greet the coming of September with the knowledge that another year of undergraduate studies await us.

We have now reached a climax in our lives. But how great a climax, how important a step has it been? This is a question few of us can answer. It is a question we may not be able to answer until, later in life, we can look back, and as a drowning man does, review our lives in one brilliant retrospective flash of fear, regret, sadness, courage, pride, or joy.

Although this seems a bit sullen for such a joyous occasion, I cannot help but feel remorseful about leaving Bethany. We all have felt both sadness and joy but few, if any, of us can truthfully become ecstatic about graduation.

Bethany College has been an integral part of my life these past four years and I know my fellow graduates will bear with me when I wish the very best to the senior class of 1966 and to all other Bethanians past and present.

In parting, I hope that the 1965 Bethanian is a yearbook that you will be proud of. It has been a great privilege for my staff and myself to be able to bring this edition to you.

Sincerely,

Jay C Franklin

Dr. Perry Epler Gresham

President Of The College

Dr. Perry Epler Gresham, in his twelfth year as president of Bethany College, has served in other posts of responsibility in addition to his duties as head administrator. Chairman of the Commission on Colleges and Universities of the North Central Association of Colleges and Secondary Schools, he is concerned with accrediting institutions in approximately nineteen states.

This year, in recognition for his outstanding contributions to the field of learning, he received the honorary degree of Doctor of Education from Transylvania College in Lexington, Kentucky. He is also serving as Chairman of the 1965 Cancer Crusade in West Virginia. Besides this post, he has had numerous speaking engagements. With his guidance, Bethany remains a growing liberal arts college of distinction.

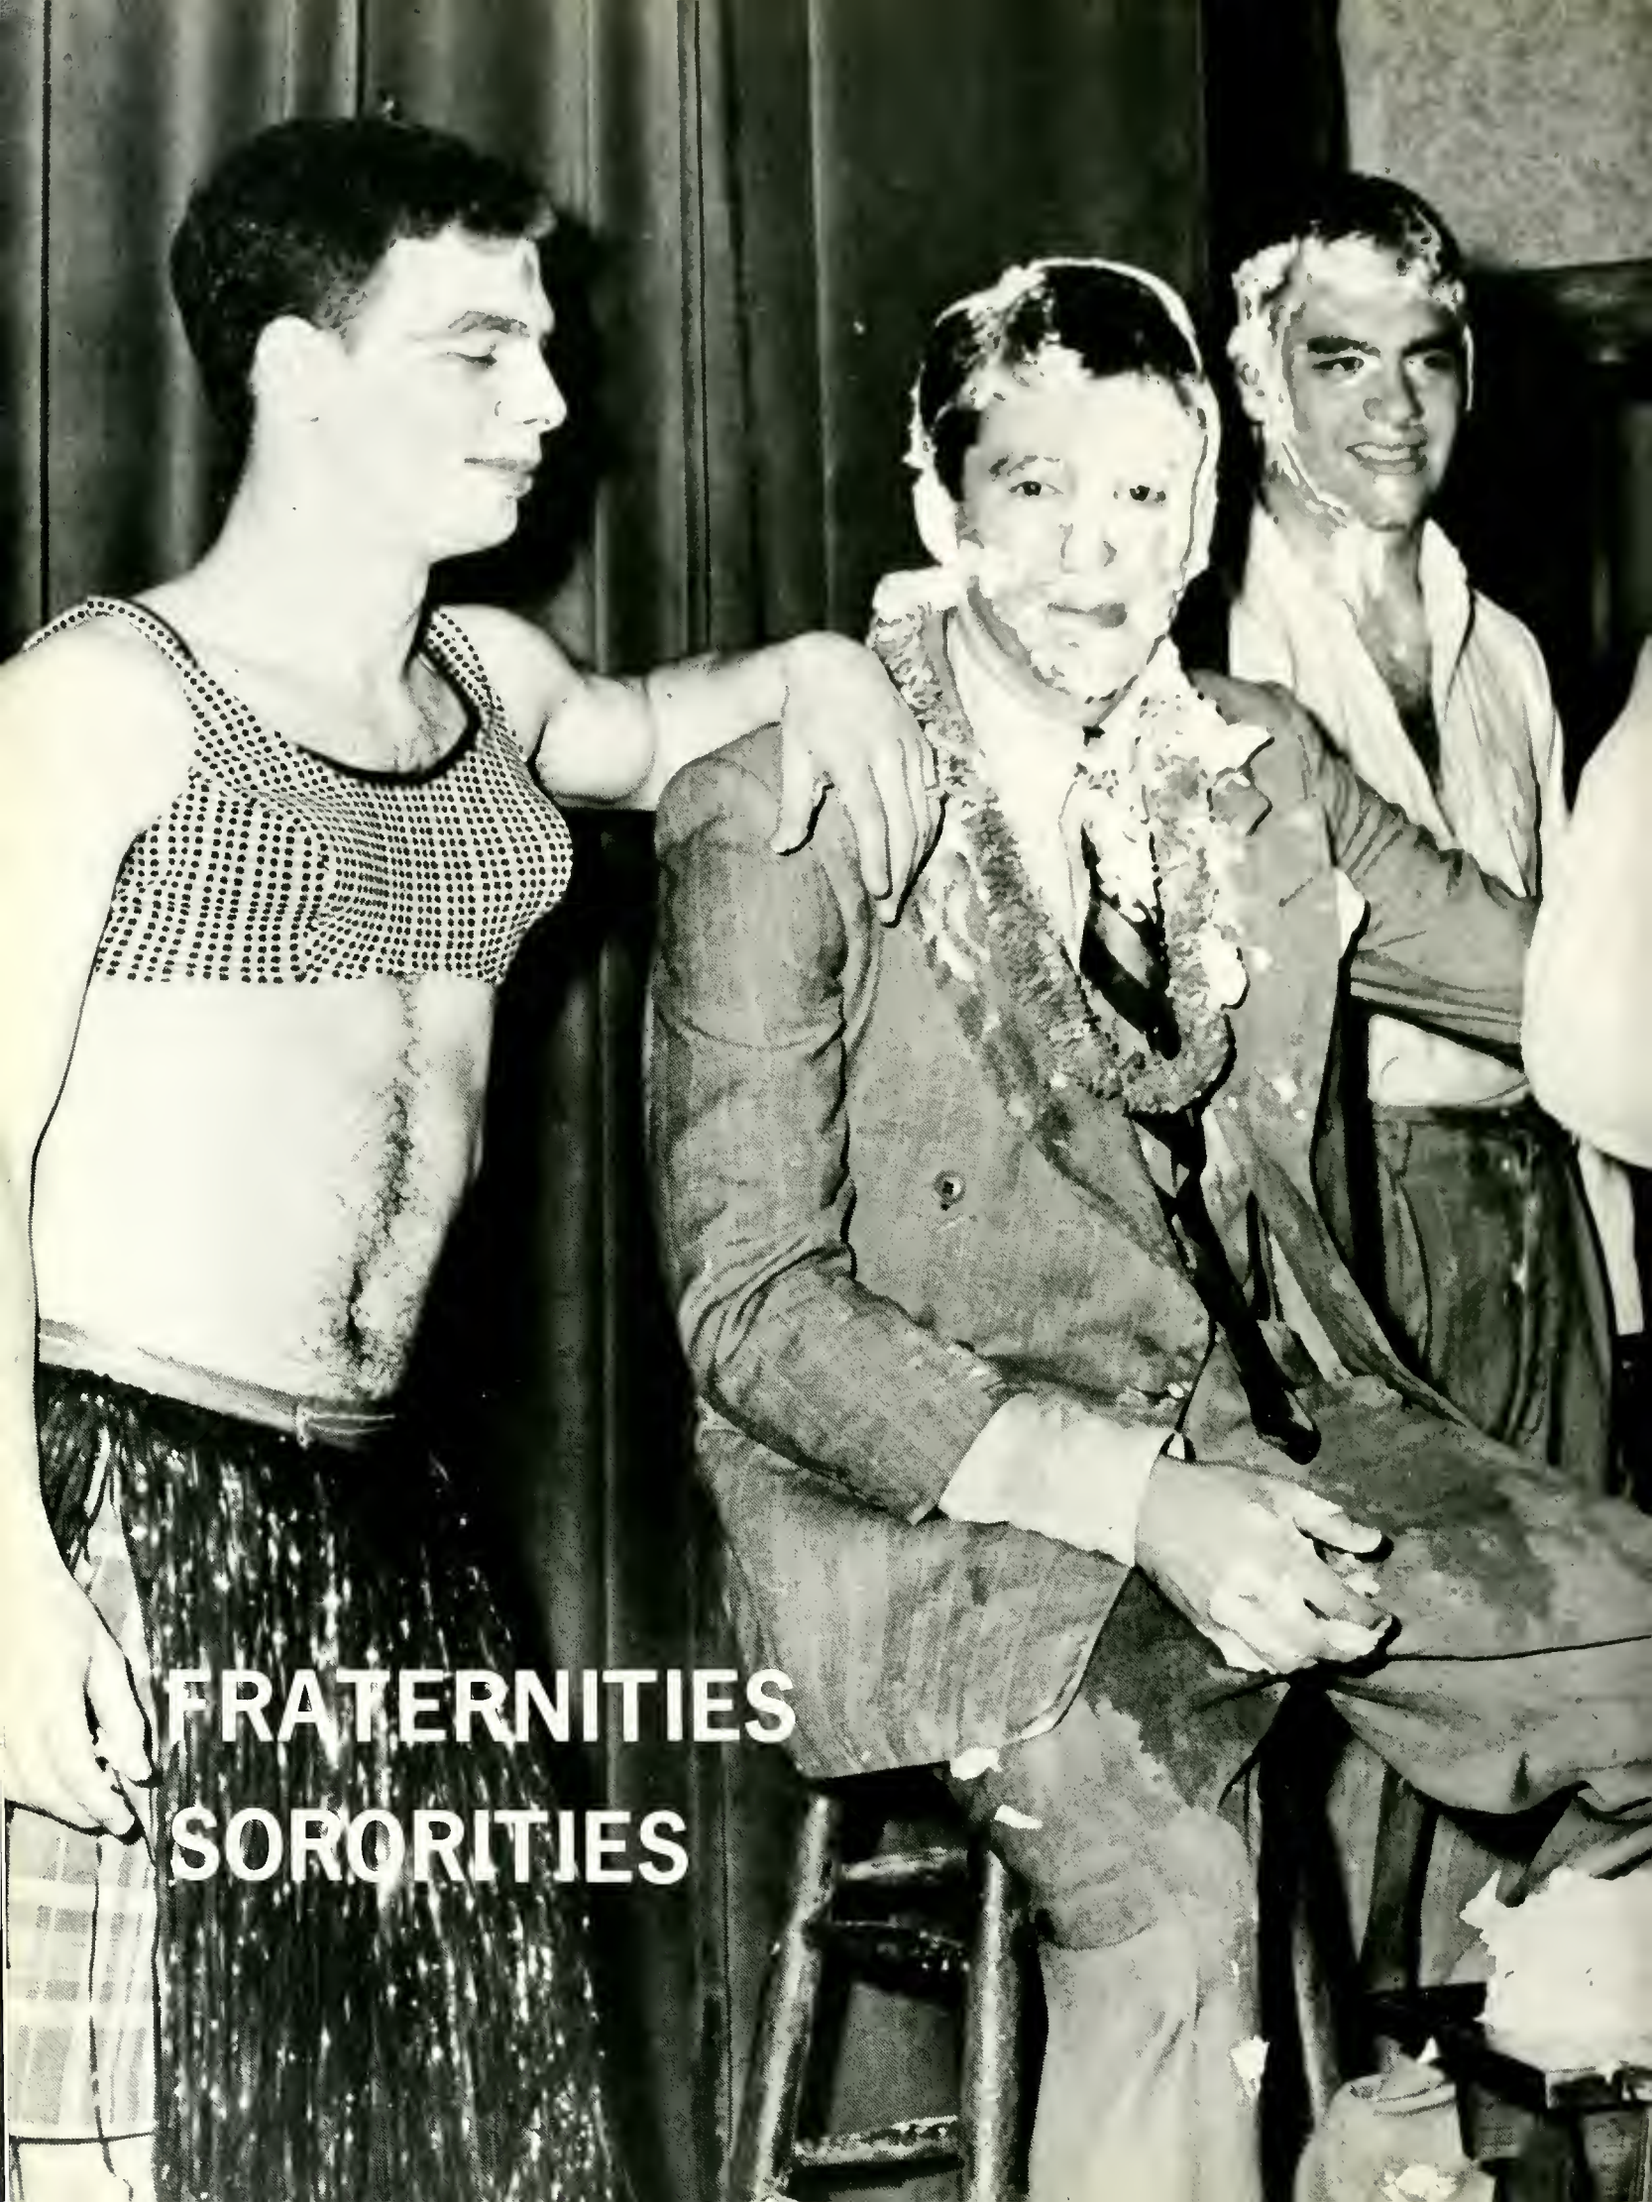
I. M. A.

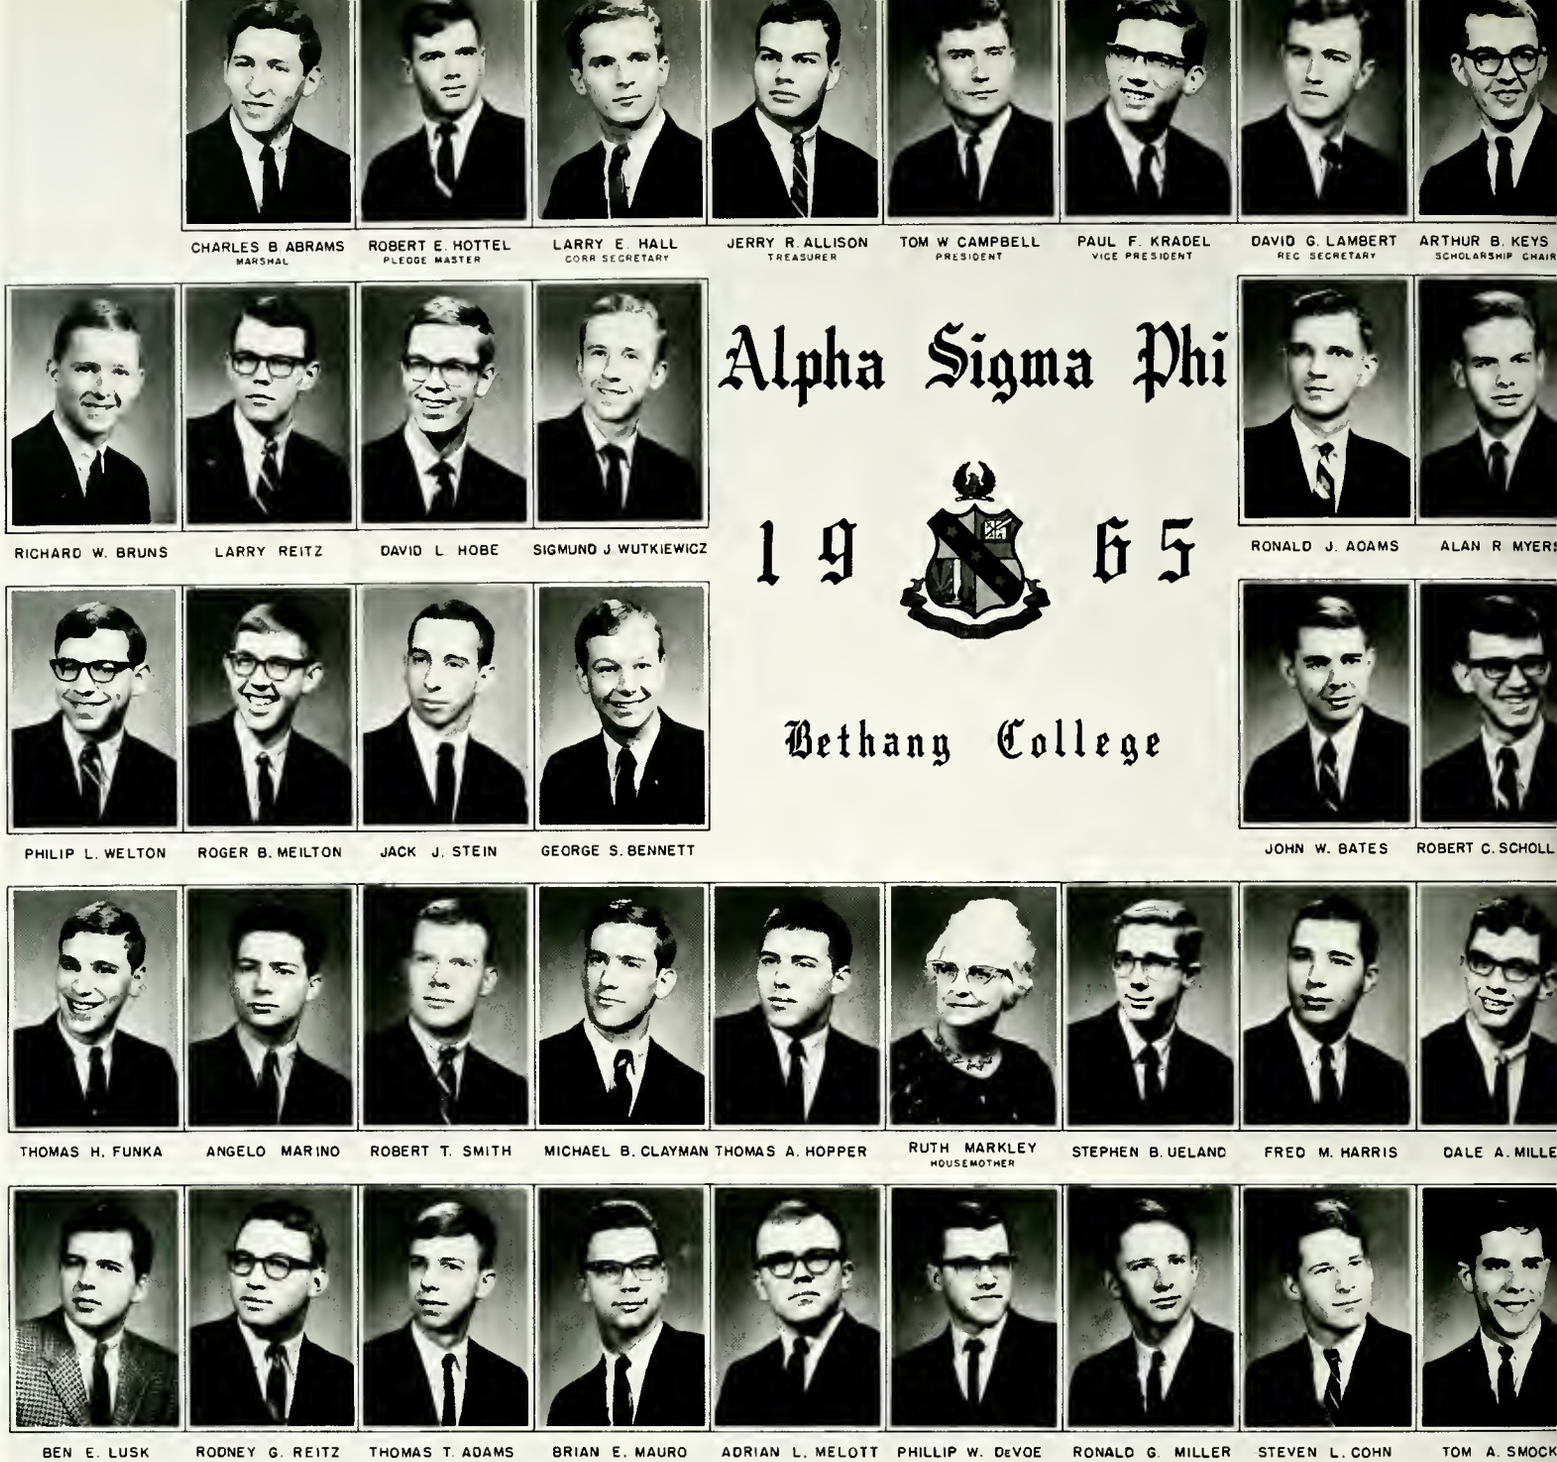
The Independent Men's Association was once again an active part of the Bethany College campus life. Joe Morgan, president of this year's group, aided the organization in maintaining its usual rank of distinction among campus gatherings.

The I.M.A. chose to remain out of athletic competition during the year and the social functions of the organization were not many; but individual members of the group did attain scholastic achievements of notable recognition.

Although the I.M.A. was sometimes the subject of an occasional jest, the organization will be forever an integral part of the Bethany College.



FRATERNITIES
SORORITIES



Alpha Sigs Win Greek Sing

Although the closely knit brotherhood of Alpha Sigma Phi is stranded on another mountain west of the campus, the diversified men of Beta Gamma chapter in no way allowed the distance to keep them out of the school's activities.

Members of the fraternity returned to Bethany early this year to redecorate their house for the rush session, Freshman Girl Party, Homecoming and the many other scheduled activities. Autumn ended with the fraternity listing 32 pledges, the Scholarship Cup both semesters, and the Homecoming Float Trophy.

Individual members of the fraternity who gained special recognition during the year were Dave Lambert, President of IFC, Dave Hobe, Editor-in-Chief of the Bethany Tower, and Adrian Melott, who represented Bethany with three other students on the television program "College Bowl."

Alpha Sigma Phi ended the year with more than half of its members elected into honorary societies or placed on the Dean's List.

Betas Show Leadership

This year found the Psi Chapter of Beta Theta Pi assuming a role of leadership on Bethany's Campus. James O'Roark was elected to the presidency of the Student Board of Governors, and Ted Boyd was inducted into the Student Court. Betas captained the football, basketball, tennis, and swimming teams to winning seasons, with basketball captain Rick Cipullo being unanimously elected to the All P.A.C. Basketball Team for the third consecutive year and leading the league in scoring for the second year in a row. Captain of the football team, Bob Solar, was second leading ground gainer in the conference, and over half of the Bison basketball and tennis team consisted of Betas.

Rush for Psi brought 26 promising pledges who joined the active chapter in a full social calendar. The Psi Stampede, Annual Dawn Dance, and the Beta Spring Week-End were the highlights of the social year.

Extensive improvements were made on the chapter house during the past year with the re-painting of the interior and exterior most notable.

Delt's Are New

Delta Phi Delta, the most recently established fraternity on campus, is designed to appeal to the college man who seeks fellowship among a cross section of individuals. While maintaining a remarkably high scholastic average, the fraternity also can be proud of its athletic endeavors and its role in the leadership of the college.

Delta Phi Delta has taken a significant part in the life of the college and has earned the respect of both the administration and the student body. Though only several months old, the Delts have actively engaged in intramural competition, setting several records in softball.

Recognition by the Intra-Fraternity Council and by the administration came immediately after the inception, and was soon followed by affiliation with the national.

Because fifty per cent of the men of Bethany were unaffiliated at the time Delta Phi Delta was organized, the group has grown rapidly. It is now able to take a place of honor among, and to compete with, the other Greek organizations on campus.

K.A.'s Dixie Ball Is Another Success

Kappa Alpha began the 1964-65 academic year by taking a 26-man pledge class which was entertained at a special banquet at Figaretti's, in Wheeling, W. Va.

The social highlight of the year for the K.A.'s was the annual Dixie Ball, held on a riverboat in Pittsburgh. Invitations to the ball were delivered on horseback by one of the fraternity members dressed as a confederate soldier. Climaxing the event was the coronation of Miss Drinda Harris as the K.A. Rose.

Individual members of the fraternity gained recognition in several fields. Ed Pappas was elected to the position of Vice-President of the Student Board of Govenors and was named as next year's Editor-in-Chief of the Bethany Tower.

Meanwhile, in sports, Paul Sniffin served as a co-captain of the cross-country team. Other members of the fraternity also competed in various sports.

Phi Tau's Show Progress

Phi Chapter of Phi Kappa Tau has continued the progress made in the preceding year by naming a Board of Governors, establishing newsletters to parents and alumni, taking a pledge class both semesters, and expanding its social calendar to include a holiday week-end at Christmas, with the traditional Phi Tau Week-End in the Spring. This year's Christmas party at the Woodsdale Orphanage in Wheeling was followed by the Annual Snow Ball. Miss Marion Steinford was chosen "Sweetheart of Old Phi Tau" at the April 24 formal.

To continue the progress motto, the Phi's won in three major intramural sports events and finished near the top in others.

Scholastically, the members of the fraternity raised their academic average to one of recognition. Individual members also received special honors. Richard Mansfield was named Brother of the Year and Joe Mayercheck was named Pledge of the year.

Housing remains a major project with the fraternity. This year the Phis rented temporary quarters, but they are still hopeful of reaching their housing goal in the future.

Sigs Contribute Athletically

Sigma Nu was again well represented both academically and athletically during the 1964-65 school year. The Epsilon Chapter maintained its usual scholastic average, while the members of the fraternity made many contributions to the athletic endeavors of the college.

The varsity football, basketball, cross-country, track, and baseball teams found much of their strength with the men of the Legion of Honor. Individual honors were won by Dave Oguss and Gerald Block, who captured the State Championship Awards at the West Virginia University relays in the discuss throw and 100-yard dash events, respectively.

During the year the Sigs sponsored several educational programs at their house, in which members of the faculty and other important speakers addressed the group.

Members of the fraternity, long known for their fondness of animals, acquired two mascots this year in the form of Beagle puppies.

With the election of Tim Smith to the position of Commander of the Sigma Nus, the house looks forward to another successful year. Plans include the redecoration of the fraternity house, as well as a complete athletic and academic program.

Alpha Xis Stress Leadership

Delta Chapter of Alpha Xi Delta can be proud of the accomplishments of its members in 1964-65. The motto of the Âlpha Xis was leadership and the members of the sorority tried to live up to the slogan, "Resourceful young women today are the leaders of tomorrow."

The Golden Quill was worn by the Senior Class President, Miss Sally Goldberger, and A.W.S. President, Miss Beverly Johnson. Miss Bonnie Leighton was elected treasurer of the Panhellenic Council, and Miss Drinda Harris was captain of the Bison cheerleaders. Miss Bobbie McClung was selected as Homecoming Queen and was candidate for the *Roto* Magazine Cover Girl contest. Miss Priscilla Spano captured the title of A.W.S. Queen, and Miss Madelyn Buzzard was selected as the Outstanding Freshman Woman.

The Alpha Xis activities were not limited to social life and their academic participation was evidenced as members were named to Who's Who, Kalon, and Beta Beta Beta. Five Alpha Xis served as sophomore counselors. The pledge class received the scholarship trophy.

Social events held during the year included an Easter Party for the benefit of the Howell House Children's Home in Chicago. The annual Spring Formal climaxed another year of achievement.

KD's Win In Sports

The Kappa Deltas experienced an eventful year beginning with a successful rush program and the pledging of 18 new members. The pledges were honored at a White Rose Dinner held at the Esquire Club in Wheeling, W. Va. Later in the semester, the senior members of the sorority were honored at a White Rose Formal and a picnic at Oglebay Park, in Wheeling.

The K.D.'s took an active part in campus life and proudly displayed the intersorority trophy for their skill on the basketball court. They also won the toboggan racing contest during Winter Carnival.

Several K.D.'s won individual honors. Miss Barbara Best was elected to Who's Who, and Miss Ann Hoerneman was elected President of Alpha Psi Omega. Miss Barbara Best, Miss Dana Burdeshaw, Miss Carol McCoy, and Miss Ann Hoerneman were elected to Kalon. Miss Carol McCoy was chosen as one of the four finalists to represent Bethany on the television program "College Bowl."

Individually and collectively the K.D.'s worked together to make the year a successful one.

Phi Mus Gain Honors

The Phi Mus had another active and exciting year. While winning the Anna Ruth Bourne Scholarship award for the second consecutive semester, they also had other interests besides grades. Activity-wise, Phi Mu held its annual Spring Dinner and Formal at the Pittsburgh Hilton Hotel. The pledge class won the plaque for the best skit presented at the Varsity B Show and also performed admirably at the Zeta Tau Alpha Hootenanny. The sorority sponsored the Phi Mu Hoe Down, complete with hillbilly clothes and band.

Individual honors were awarded to several members of the sorority during the year. Miss Nancy Bailey was a member of the Homecoming Queen's Court. Miss Liesel Bonchosky was chosen Phillips Hall Queen, and Miss Gail German was chosen Alpha Sigma Phi Sweetheart, as well as being a member of the Snow Queen Court.

Together, the Phi Mus finished another successful year.

Zetas Have A Variety Of Interests

The Zetas were active in all aspects of campus life this year. Each girl had varied interests and, as a result, Zetas were everywhere doing a multitude of different things. This year Alyn Kistler won the Outstanding Junior Woman's Award.

To keep from being isolated entirely from world affairs, discussions which ranged from theories on education, which President Gresham presented, to philosophy, given by Dr. Myers, were delivered. Furthermore, the sorority members adopted a foster child in Korea, and paid for the care of the child through the annual Zeta Auction.

This year started a new tradition with the formation of the Zeta Hootenany. All sororities were invited to participate, and Miss Lisa Hauptfueher and Miss Brenda Cramblet, both Bethany High School students, also joined in the festivities.

The Zeta Week-End this year, consisted of a pledge dance on Friday and a dinner and party at the Esquire Club, in Wheeling, the next evening. Mother's Day Week-End saw the sorority sponsoring a barbecue, followed by a tea. The week-end was climaxed by the winning of the annual Greek Sing Competition.

Football Team Second In P. A. C.

The Bisons posted a 5-3 mark, including conference play of 4-2, to finish second in the Presidents Athletic Conference.

The year proved to be a season of firsts with the Bethany Eleven defeating John Carroll 23-12 for the first time in their eight meetings, and then going on to hand Fairmont State, the West Virginia State champion, its only loss in nine games, 19-0.

Five Bethanians wound up the season among the PAC leaders. Junior fullback Bob Solar was second in rushing, and freshman back Danny Stephens finished seventh in scoring. Senior quarterback Bobby Williams and sophomore end Ray Koch teamed up to finish third in the league in passing and pass receptions respectively. Gary Griffin, a junior, place kicked his way to two PAC records. He kicked the most field goals in the league's history, (five), and the longest one, forty-nine yards.

The Bisons were led by Bob Goin who completed his second season as head coach, and assistant coaches Bill Hanna, and Tom Grall.

Cross Country Goes Undefeated

The Bethany Harriers with an 11-0 season mark placed third in the Presidents Athletic Conference cross-country championship.

The team was co-captained by seniors Jeff Tindall and Ihor Hoshowsky who both finished off their four-year careers under Head Coach Edgar Martin with 45 wins and 3 losses.

In nine of the team's meets, Sophomore Paul Sniffin and Co-Captain Tindall ran first and second respectively. Other outstanding performances were turned in by Sophomores Tom Hopper, Rod MacKenzie, and Bob Eckert, while freshmen also shared some of the spotlight with Don Reed, Kirk Hunter, Rick Ward, and Al Johnson running well throughout the entire season.

Aiding Head Coach Martin with his cross country experience was David Samuel who completed his first year as assistant coach.

Basketball Team Closes Strong To Finish 2nd In P.A.C.

The Bisons basketball team had a 12-6 mark, including ten victories against four defeats in the Presidents Athletic Conference, for a second place finish in league play.

The cage squad, who was hit hard by key injuries throughout the entire season, was on the short end of two one point decisions, one two point decision, and a crippling triple overtime loss to Eastern Michigan University.

Facing a mediocre season with a 7-6 record, the "Bison Five" began to click and won their last five games to just fall short of the PAC crown behind Wayne State University.

Senior Co-captains Rick Cipullo and Bard Hickman both made the ten member all PAC team. Cipullo became the first basketball player in the history of the Presidents Athletic Conference to be selected unanimously by the league coaches for three consecutive years.

Outstanding performances by several freshmen provided the fans with some extra thrills. Freshmen St. Clair Gratz, Mickey Hornack, and Bill Watkins filled up the injury laden front line, while Juniors Ed Blundon, and Ed Rollo added stability with their seasoned play. Sophomore Fred Gardini usually wrought his own havoc on opponents while providing relief for the backcourt men.

Edgar Martin completed his tenth year as head basketball coach at Bethany and boosted his lifetime coaching record to 133 wins and 66 losses.

Marty quickly makes plans during a time out in game against Allegheny.

The team mobs Captain Bard Hickman after tying up Marietta game with a last second desperation shot.

CHOSEN ALL-PAC GUARD FOR THIRD CONSECUTIVE YEAR

Rick Cipullo, a senior guard and the team co-captain, was the Bethany Bisons' high scorer with 312 points for a game average of 18.4. In PAC league play, Cipullo had 275 points and a game average of 21.2 points to lead the league in scoring for the second consecutive year.

In his four years of varsity play at Bethany, Riek scored a total of 1199 points. During that period, the Bisons racked up a record of 59 wins and 13 losses, and won the PAC championship twice and finished second on the other two occasions.

For his performances on the basketball court, Rick was voted the M.V.P. award, and was also cited by Sports Illustrated Magazine for becoming the first basketball player in the history of the Presidents Athletic Conference to be selected unanimously to the all-PAC team for three consecutive years. At the annual sports banquet held in May, Cipullo was also chosen the co-winner of the Most Valuable Senior Athlete Award.

Erskine Makes All P. A. C.

The swimming team, led by all-PAC selection John Erskine, finished the season with a record of 5 wins and 6 losses. The Bisons placed fourth in the PAC Relays and took a sixth in the Presidents Athletic Conference championship meet.

Erskine, a sophomore, won the 200 yard butterfly race in the final annual meet, and in so doing took home the only first place victory for the tankmen.

Tom Grall, in his first year as head coach, found his team weak in some spots but strong in others. Co-Captains Roy Zweidinger and Charles Spencer performed well throughout the entire season, while freshmen Barry Brink and Ron Roberts offer high hopes for the future.

Baseball Team Takes P.A.C. Crown

The baseball team combined steady play of seasoned lettermen and outstanding performances from untried rookies to finish the season with a 6-2 record, and win the Presidents Athletic Conference baseball championship for the first time in the school's history.

Starting off slowly by losing their first four games, the "Bison Nine" fought back to have a chance of clinching the title if they could beat Allegheny on the last day. This hope was dashed when the Gators came back in the late innings to win 3-2. Then the big break came a week later when news came that both W. and J. and Wayne State had split doubleheaders and the team had slipped back into first place to stay.

The big spark came from rookie sensation Randy Kirkwood who finished off the season with a .477 batting average. Co-Captain Bobby Williams finished off his four year Bethany career by hitting .291, and Freshman Mickey Hornack hit .299 while filling up the shortstop hole.

Junior Dick Decker took up the pitching slack left when all-PAC star Pete Weber hurt his arm by posting an earned run average of 0.53. Steve Clayton, John Cardwell, and Jim Runk also did fine jobs on the mound.

The baseball team had Bob Goin in his fifth year of coaching at the helm.

Golf Team Rebuilds

The golf team with John J. Knight in his thirty-sixth year of coaching at the helm could only manage one victory during the regular season, and had to settle for ninth place at the PAC championships held at Meadville.

The linkmen were hit hard when it was learned that Captain Bard Hickman would not be able to play due to an ankle injury. This put the burden on many unseasoned team members who tried to carry the heavy load.

Strong play from juniors Dave Ladd, and Timmy Smith and sophomore Doug Lindsay offer enthusiasm and prospects for the future as the golf team undergoes rebuilding to climb to the top.

With only seniors Bard Hickman and Ted Whitaker leaving, the team shows great promise for next year.

Coach Peterson Hits Century Mark

The tennis team, with Warner G. Peterson in his fourteenth year as head coach, finished third in the Presidents Athletic Conference.

The netmen finished the season with an 11-1 record, losing their bid for an undefeated season to Washington and Jefferson in their last season match. By beating Pittsburgh in their sixth match, the team got Mr. Peterson his hundreth win as head coach at Bethany.

Highlighting the season was freshman Kirk Hunter's flawless play, finishing the season with a 12-0 record and winning the number one singles championship at the PAC finals. Kirk also teamed with Co-captain Mike Kurey to win the number one doubles championship.

Backing up Kirk and Mike with some fine play were Senior Craig White, junior Co-captain Roy Austin, sophomore Bob Rogers, and freshmen Ian Webb and Carl Nonemaker.

Track Team Lacks Depth

Barry Brink takes handoff from John Kinsey in first leg of 440 yard relay.

Faced with a lack of manpower, the cindermen could only manage a 6-2 season record and fifth in the Presidents Athletic Conference meet held at Washington and Jefferson.

With only nineteen members on the squad, Head Coach Edgar Martn had to rely on certain men to run three or four events in one meet. Senior Co-captain Jerry Block found himself running in the 100 and 220 yard runs, and the last legs of the 440 yard and mile relays.

At the PAC meet, Block just missed picking up ten yards in the last leg of the 440 yard relay while the team finished third, but then went on to win the 100 yard dash in a time of 9.9 seconds. Unfortunately, Block pulled a muscle in the race and could only manage a sixth in the 220 yard dash.

Outstanding performances were also given by Freshmen Jules Ross who finished fourth in the 100 yard dash, and Barry Brink who finished third in the 120 yard high hurdles. Senior Co-captain Jeff Tindall took a fourth in the 880, and ran a 50.9 seconds leg in the mile relay that enabled the relay unit to take a sixth in the event. Sophomore Dave Oguss performed well throughout the season in the field events and then took a third in the shot put at W and J.

Other members of the track team that scored valuable points for the squad were Rick Ward and Paul Sniffin in the distance races, Chuck McGrath in the 880, and Chuck Gabelle in the broad jump.

Completing their first seasons as assistant track coaches were Tom Grall and David Samuel.

WINS 12 PAC MEDALS IN HIS COLLEGE CAREER

Jerry Block, senior co-captain of the track team, lettered three years for the Bison football team and four years for Coach Martin's cindermen.

Jerry holds the school records in the 100 and 220 yard runs at 9.5 and 21.4 seconds respectively. He was also a member of the 440 and 880 yard relay teams that hold the school records.

In his senior year on the track team, Jerry was undefeated in regular season meets, and went on to defend his 100 yard crown at the Presidents Athletic Conference Championships held at Washington, Pennsylvania. In his four year college career, Jerry has racked up twelve medals at this annual meet.

As a halfback for the Bisons football team in 1962, he set the conference record of catching seven touchdown passes in one season.

For his performances during the 1965 outdoor season, Jerry was picked as a candidate for the United States Maccabiah team which competes in Tel Aviv, Israel.

Alumni Present

Dr. Gresham talks with holders of National Campbell Scholarships, which are named for Bethany's founder and first president, Alexander Campbell. From left, P. Price, P. DeVoe, R. Walters, Dr. Gresham, J. Allen, R. Cooper, S. Williams, M. Frank.

Second, third and fourth generation students

And Future

Prof. Dawson left and Alumnus Walter L. Myers Jr., right, congratulate, Dr. Raymond K. Sheline, second from left, and John C. Cluss, winners of the Alumni Achievement and Service awards respectively.

Mrs. Harold C. Doster, right, wife of the Alumni Director, is hostess for one of several alumni gatherings held in the community. Pictured are her sister-in-law, Miss Nancy Doster, Mr. and Mrs. Neil Topliffe, and Mr. and Mrs. Russell Smith.

Mrs. Perry E. Gresham, right, welcomes a former Bethany faculty member and his wife, an alumni, Mr. and Mrs. Robert LaPella, and their daughters, Claire and Christine, to the President's Garden Party at Pendleton Heights.

Dr. John R. Sala, left, dean-elect, talks with two alumni, Mrs. Ethel Lowen, and Robert Martin.

Epilogue

EPILOGUE

A pocketful of nothing,
A heart filled with hope,
A number in a crowd,
But with a broader scope.
Hands trained by learning,
Heads filled with knowledge,
Enter now the "cruel" world
As graduates of college.
Stars to shoot for and
Many mountains to climb,
And all very quickly
To catch up with time.
Minds filled with memories,
The paths still freshly made
Of our years at Bethany,
May they never fade.
The faculty and the teachers,
The buildings and the grounds,
The small college of distinction
Of which we are so proud.
The nervous apprehension
On our first registration day,
The excitement and accolade
On graduation day.
The defeats and the victories
The battles finally done
We gather now together
As a group of one.
The Class of '65 it says,
A symbol of ability.
The key to many unopened doors
As we leave old Bethany.
